

Cirque Odyssey

Just as the name implies, this production is a true "Odyssey" into a world of surreal impossibilities. The journey begins with Daniel, who meets a pair of unique new friends that help him to open the door to a new world. These main characters are the ones that set the stage and unfold the story of the various and amazing characters that are a part of Daniel's new journey. Testing the limits of the human body and challenging what the mind believes is possible, Cirque Odyssey is an amazing profusion of daring skill, grace, strength and agility. Each performance is set to different textured and special effects lighting, sound and props, creating an atmosphere that is diverse and appeals to the audience's emotions in a very unique way. True performance at its best is reflected in the excellent fitness and agility of each performer, whose physical prowess is enhanced by the brilliantly colorful design of their hand-made costumes. Each character is significant to the story and every detail is refined to create the spellbinding scenario of this clever production. The journey culminates in a breathtaking conclusion of vibrant color and pure energy as all the acts perform simultaneously on stage. This high-energy production is perfect for audiences young and old. All brought to you by Cirque USA, whose credits in full-scale cirque production have spanned the globe for over 20 years. Cirque Odyssey is a fast moving, whimsical stage show that brings together a variety of different elements, creating a contemporary production that pleases the audience with its colorful and cutting edge creativity. But as with most things in life, there is only one real way to fully experience the impact of this production...
