

Welcome to Cirque USA!

Since 1984 Cirque USA has provided world class cirque shows and cirque acts for meeting planners, casinos, cruise ships, corporate events, theaters and celebrity events. With offices in New York, Los Angeles, Orlando, and Las Vegas, we are uniquely positioned and able to provide entire customized shows or various single cirque acts according to our clients' needs and budget throughout the country as well as internationally. We are the producers and performers not an agent, our offices are staffed with seasoned professionals, some having been past performers themselves, with many years' experience in the entertainment industry in both the production as well as the performance side. Be it a product launch that needs a unique and original introduction, a sales boosting convention or just a way to reward and entertain employees, we understand, anticipate and can fulfill the needs of our clients both on a large or small scale, working closely with the client from concept to final delivery to ensure overall success. We feature the best cirque acts in the world Aerial Bartenders, German Wheel, Spinning Cube, Acrobats, Aerial Performers, Contortionist, Hand Balancers, Power Skips, Hula Hoop, Electric Jugglers, Tramp Wall, Aerial Lira and Trapeze Performers.

With over two decades of entertaining diverse audiences Cirque USA has established an impressive catalog of clients. We have recently performed for R&B superstar Usher, Donald Trump, John Travolta, Kevin Costner and Michael Jackson and featured acts in the Winter Olympics, as well as the 2003 & 2004 MTV Video Music Awards. Cirque USA has performed nationally and internationally at venues including Caesar's Palace in Las Vegas, Atlantis Hotel, Borgata Casino in Atlantic City, Madison Square Garden in New York City. Cirque USA has performed for numerous corporate clients such as Nike, AT&T, Microsoft, Sharp, Goodyear, Sony, Pfizer and Bristol Meyers in the U.S. as well as abroad. Professional management, flawless execution and endless imagination are what make Cirque USA today's leader in the entertainment industry.
